

St. Albert welcomes "Mr. Centennial"

The children of St. Albert joined in meeting and entertaining Canada's Centennial Commissioner, John Fisher at the Father Jan School last Wednesday evening, and "Mr. Centennial", as Mr. Fisher has become known throughout the country, said he "loved every minute of it".

Mr. Fisher arrived in St. Albert Wednesday evening during a regular cloud burst. A R.C.M.P. escort, members of the Centennial Committee and Councillor Ray Gibbon and Mrs. Gibbon met Mr. Fisher on the highway and formed a cavalcade to the school auditorium. There, Mr. Fisher was greeted by an audience of approximately 300, who gave him a standing ovation. Mr. Fisher was officially welcomed by Mayor R. S. Fowler and Mr. D. Hunt, chairman of the Centennial Committee.

An enthusiastic group of young people presented a program of vocal selections. Choirs participating were the Lutheran Junior Choir, directed by Mrs. A. Loshack, Mrs. Koryluk's George Simpson Elementary Glee Club, the George Simpson Junior High Glee Club, directed by Miss Bogstad, and Mr. Frank Finney's grade 4 class of Sir Alexander Mackenzie sang "This is Canada", Mr. Finney's own composition. Also taking part in the program were two young pianists, Sherry Miller and Janice Unter-schultz and Miss Pauline Vaugeois' Girl Guide group, who did a precision march.

Mr. Fisher took great pleasure in presenting Centennial Scrolls to a number of St. Albert residents. Keith and Pat Hamilton received recognition for their work on the Historical Pageant. In addition to helping her husband write the Script for the Pageant, Pat regularly contributes Centennial articles to the Gazette. Mona and Bill Sutherland were honored for their outstanding contribution to the needy children through the Birthday Card. The giant card which may be signed by the public for a donation to the Canada Save the Children Fund, has already collected more than \$1500 towards this very worthy cause. Mrs. R. McGuire was presented with a Scroll by John Fisher. Creta, who left St. Albert to make her home in Calgary, served as Executive Secretary to the Centennial Committee. A Scroll was also presented to a very hospitable St. Albert couple, Mr. and Mrs. Carl Sommers who graciously welcomed the MacKenzie Expedition Canoeists into their home, and invited them to set up camp in the yard of their farm home 6 miles west of St. Albert on Sunday night, May 21st.

Dr. W. Mirlin accepted a Scroll on behalf of the Associate Medical Clinic. The Clinic has established a perpetual scholarship as it's Centennial project. Mr. Roy Hart accepted a Scroll on behalf of the St. Albert Air Cadets, who have organized a very fine marching band. The boys can always be depended upon to add colour to any town function.

Mr. Fisher thanked the youngsters for their songs, music and marching, and proceeded to talk on the subject he loves and knows so well, Canada's Centennial. He said that Canada's future belongs to the young, and urged those present to "Share the Cake" with those who are not as privileged as we are. The audience laughed heartily as Mr. Fisher commented on what he thought Canada will be like on her 200th Birthday. "You will have paper clothes", he said. "And when you get tired of them you will junk them in a special chemical, and presto, they will have completely changed." After yet another rousing version of "CA-NA-DA", Mr. Fisher was besieged by young autograph seekers.

Following the program at the school, the Town of St. Albert held a reception in Mr.

"Go on, break the matchsticks", urges John Fisher, as he uses the illustration to point out to a young St. Albert lad that a combined effort is stronger than an individual one. Gazette Photo.

Fisher's honour at the Club Mocombo. Mr. Fisher spent the night in Edmonton, after a busy day which began in Rocky Mountain House. Next stop in his busy schedule is

Los Angeles, and from there Mr. Fisher was to go to a place called . . . would you believe St. Paul? He promised to tell the people there "All about St. Albert."

Council meets with School Boards

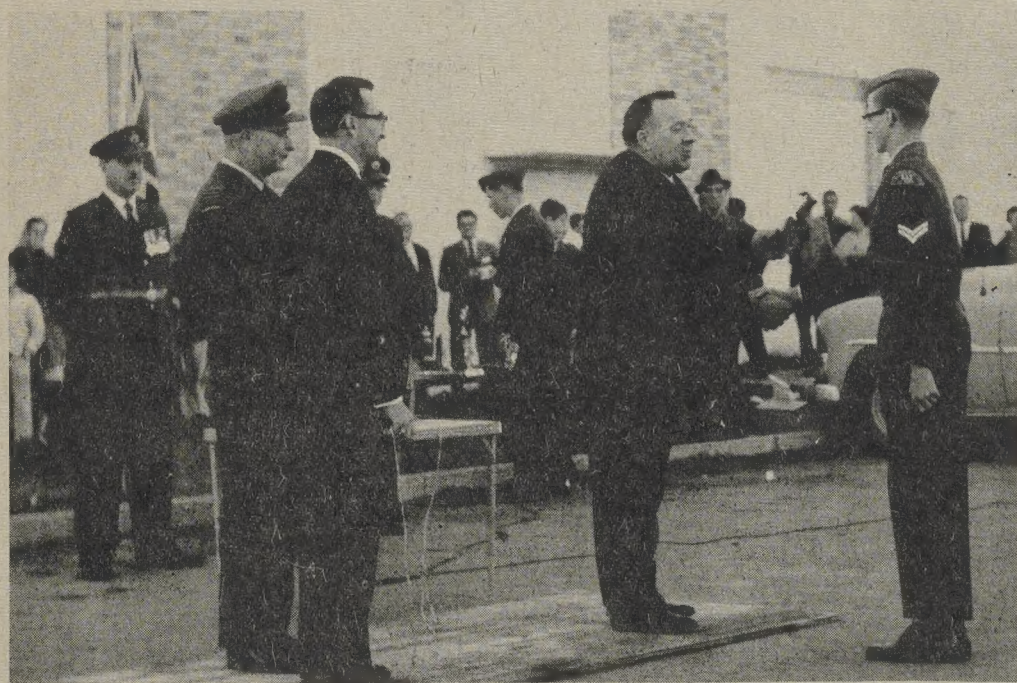

by Hennie Stibbe.

St. Albert Town Council met with both School Boards during a regular Council meeting last Monday evening to discuss Acreage Requirements and Site development of Schools. Town Council is concerned about the overdevelopment of some school sites. One of the most seriously congested areas will be Sir George Simpson, with 400 Elementary Pupils and an expected 600 Junior High population when the extension is completed. The Separate School owns 10 acres at Simpson and has the use of an additional 8 acres under Joint Use for a total of 18 acres. According to Government regulations 5 acres are required for an Elementary School building housing 100 pupils, with one acre added for each additional 100 students. Total requirements therefore are 8 acres. For a Junior High School 10 acres are required for a building with up to 100 students. The same rule of 1 extra acre for each additional 100 students applies here also. Adding the 15 acres needed for the Junior High to the 8 acres required for the Elementary School, Simpson site is clearly over crowded. The Public School is in a somewhat better position. It has lots of room for expansion at Father Lacombe, but could run into difficulty at Vital Grandin, where they own 10 acres for a present student population

of 750. Dr. A. Proudfoot, Superintendent for the Separate Schools pointed out that the situation at Simpson is not as grim as it may seem, because "not all 1000 students will be on the play ground at the same time." In order to prevent further overdevelopment of school sites the Joint Use Committee was asked to formulate a policy regarding building sites.

A new general assessment of property in St. Albert may be in the offing. Mayor Fowler reported to Council that there is a "very distinct possibility that an error has been made in the land assessment in St. Albert." The Town has been advised to deny all appellants and advise them to take their appeals to the Government Assessment Appeal Board.

Soccer going great guns in St. Albert

The Hercules Club have Soccer well organized this year with Pee Wee and Bantam teams off to a good start in the Northern Zone, Edmonton and District Soccer League and a Midget team being organized and beginning practice.

This is partly due to the upsurge of interest in Soccer being felt throughout the province this year, resulting in a great increase in the number of boys registered. The Soccer League had to re-zone to allow for this increase. St. Albert is fortunate in that the Hercules Club, who made a start in soccer last year has the services of keen and capable men in the persons of Manager Lloyd Hopkins and Coaches John Alliston (Pee Wees) Fred Allen (Bantams) and Sid Allen (Midgets). They report that the young fellows are tremendously enthusiastic and learning the new sport quickly.

Pee Wees, unbeaten so far in the league, play most games at home at the Paul Kane field. They will be host to the Mayfield team from Edmonton this Friday at 7 o'clock, which might be a good time for local fans and would-be fans to drop around and see them in action. Last time they met this club the St. Albert team came out on top 7-2.

Bantams and Midgets generally have games scheduled at either Kinsmen Park of Clark Stadium, but work out at the Paul Kane field on Tuesday and Thursday evenings.

The Hercules Club has recently purchased a set of jerseys and socks complete with crests which look very smart, and are considering ways and means to raise funds for more outfits. A complete set of jerseys, socks and shorts would be in the neighborhood of \$50.

All star teams drawn from all the players in the Pee Wee (age 10-12) and Bantam (12-14 yrs.) leagues will be chosen from the Northern Zone to compete this summer in Montreal, and Manager Hopkins is hopeful that St. Albert will have one or more boys make the teams.

The Midgets could take some more players in the 14-16 age group and any boys interested are invited to come out at Paul Kane Thursday evening or to telephone Mr. Hopkins at 599-7887. The Soccer season runs in May and June and then in September and early October when play-offs are scheduled.

Game reports for the opening games follow and statistics should be available next week for league standings.

Premier Manning showed the Princess the card and she expressed a lively interest in the project. The Card was also signed by the Hon. Angus Ogilvy, the Lady-in-waiting and an aide. Alberta Govt. Local club Aids Oxfam walk

The St. Albert High United Nations Club is participating in the OXFAM "March for Millions" march along with

a great many high schools and other youth groups in the area. The "Walk" is 25 miles, but if you don't feel quite up to it you can sponsor a young walker and still get in on the project which is Canada wide.

The walk to Edmonton will take place on June 3 over a route approved by police and safety council, starting and finishing at the Legislative buildings. Every two miles there is a First Aid station and concession booth and walkers carry forms for checking mileage at these stations. In this manner the sponsor receives an accounting of how many miles he is liable for. Each walker must have a sponsor and the two agree between them on an amount per mile to be paid by the sponsor. All proceeds go to OXFAM of Canada to help hungry people to help themselves. The St. Albert High group are working to get every family in St. Albert to take part in this Centennial Walk, under the chairmanship of Miss Rachelle Courmoyer.

Mayor Fowler has endorsed the project and the young people will be approaching organizations and individuals to support them. The Anglican Diocesan Council is encouraging all young Anglicans to support the project also.

Anyone wishing to take part, or to get further information should get in touch with Rachelle at 599-6998. Here is a wonderful way for everybody to get involved in a tremendously worth-while Centennial project.

They will join an estimated 4,000 Edmontonians in a project to raise funds for the hungry and poor of the world. The walk begins at 9:00 a.m. from the steps of the Alberta Legislature, winds through a large part of the city, and ends at the legislature.

Lt. Gov. Grant MacEwan, Public Works Minister Fred Colborne, and Mayor Vincent Dantzer will lead the "Miles for Millions" walk. Clergy of the St. Albert churches and town representatives have been invited to take part.

for Study. A meeting was set for Monday, June 19th for the purpose of formulating an application for the scheme. To date Council has not given approval for implementation.

POSSIBLE ROAD CONSTRUCTION: Council agreed to apply to the Provincial Department of Highways for a Government Grant applicable to road construction. The Government has announced a Street Assistance Program for Alberta's Towns and Villages. A total of 5 million dollars will be made available at the rate of 1 million per year for 5 years. Each municipality will be eligible for its share only during the 5 year period.

Mayor Fowler, in asking Council to make a decision Monday evening where the money should be spent, warned Council "We should not dilly-dally on this, or this year's allotted amount will be spent". It was agreed by Council that pending approval of the Highways Department the following road construction program will be carried out. Extend Churchill Avenue from Bishop Street to 750 feet east; extend Mont Clare Ave., from St. Vital to 1600 feet north and extend Edmonton Road from Grosvenor Blvd., to 170th St. Estimated cost of project is \$129,000, plus small addition for extra storm sewer. The Grant would total approximately \$122,000, the difference would have to be agreed upon between the Town and the

Province.

MR. BULL GETS GO-AHEAD:

Donald Bull, outspoken proprietor of St. Albert T.V. has been appearing regularly before Council during the past year, at which times he has voiced some definite opinions on such matters as Urban Renewal and Down Town Development. Monday evening Mr. Bull appeared before Council to launch an appeal against a decision made by the Development Control Officer, who refused his development application. Mr. Bull proposes to construct a 5 store unit on two lots he owns. The first stage of the proposal would be a 20 x 40 foot building in the centre of the two lots. The Public Works Committee had previously suggested that Mr. Bull put up the most Easterly section of the 5 unit building first, something Mr. Bull does not agree with. The Mayor pointed out that according to a Town By-law the appeal could not be heard by Council as the 10 day time limit for the appeal had expired. However, Council agreed to hear Mr. Bull's case and consider it as a new submission. After a lengthy discussion Mr. Bull was given the green light and will go ahead with construction. Council let it be known, however, that it is fully aware of the fact that it has given Mr. Bull permission to build a 20 x 40 foot building in the middle of his property but has no guarantee his plans to build

Marcel Lambert visits Paul Kane

Mr. Marcel Lambert, Member of Parliament, was the honoured guest of the teachers and students of Paul Kane High School last Friday morning. He addressed a general assembly of the school held outdoors at 11:00 a.m. and presented the school with an attractive Centennial Flag. In his talk Mr. Lambert spoke to the students on the challenge facing them as young Canadians and emphasized the major reasons for being proud that they are Canadians. He also had some words of praise for the many Centennial projects being successfully carried out in St. Albert.

Peter Armstrong accepted the Flag from Mr. Lambert on behalf of the school. After Peter knotted the flag, he and Mr. Lambert raised it to position immediately below the Canadian Flag on the school flagpole while O'Canada was played. Mr. Lambert then presented Principal Mr. Hrynnew with smaller flags for use on the teacher's desks. Mr. Lambert then inscribed

a new book "The Canadians 1867-1967" which has been purchased for the school library, and a source book on Canadian History for the Reference section use of both students and teachers. "The Canadians" had been previously previewed by school staff members and carefully selected for a Centennial addition to the library. Edited by J.M.S. Careless and co-editor R. Craig Brown, two well-known Canadian historians, the book is a collection of the writings of 29 authors and includes sections on the progress of Arts, Sciences and Human Development in Canada over the past 100 years. The colorful and artistic jacket has pictures of John A. Macdonald, Louis Riel and appropriate illustrations of items such as Oopkips, Totems, Canadian stamp issues and others

The inscribed books and new Flag are indeed appropriate additions at Paul Kane in our Centennial year.

Holyk's Drug Store in Westlock is a good place to lose money says one of our senior citizens. Mr. Keroack. He dropped \$30 while he was in the store and noticed it once he was back home at the "Chateau Sturgeon". Due to the honesty of these people Mr. Keroack had his money returned to him in the mail. He wishes to express his thanks and appreciation to the Holyk Drug Store personnel.

A speedy recovery is extended to Mrs. Dianne Remillard who is a patient in the Westlock Hospital.

The fire dept. was called twice last week to assist in extinguishing two farm fires, Saturday at Mr. Leonard Blanchette and Sunday at Mr. Art L'Heureux's. Several buildings were destroyed in both fires. The families wish to express their gratitude to the town people who so willingly went to help.

Some 20 couples from Legal brought out their Fete au Village costumes (costumes adopted for their Summer Festival) to attend the opening of the Knights of Columbus Convention at Friday's Klondike Extravaganza night held at the Chateau Lacombe. The majority of the people were dressed with their "Klondike Garbs" but Legal was really outstanding with their "unique"

colourful costumes. Five couples attended the highlight, Saturday night's Centennial Ball where they had the opportunity to hear the Supreme Physician Dr. J.H. Griffin of New Haven, Conn. speak. The Columbian Girls choir under the direction of Mr. Bourret delighted the audience with a variety of songs. The guest entertainer for the evening was Mr. Frank Fontain the "Crazy Guggenheim" of the Jackie Gleason television program. The enthusiastic audience gave the lovable "Guggenheim" a standing ovation.

Congratulations are extended to Mr. Leon St. Martin who was presented with an award at luncheon Saturday noon at the K.O.C's Convention for forming the Legal Council twenty-five years ago and for his outstanding work in the community.

Legal CWL Monthly Meet

The monthly meeting of the St. Emile Council of the CWL was held on May 15. A hearty welcome was extended to two new prospective members, Mrs. Roy Wheeler and Mrs. Chris Thomas.

According to a report from Mrs. Rodney St. Martin, the Council's first "Centennial" project, the sponsoring of a Babysitters Course, has proved to be most successful. Fifty eight boys and girls graduated with high passing marks on their exams. Plans were made for a graduation party in their honour.

A second Centennial project is under consideration. This will be the sponsoring of a Brownie Club in Legal under the direction of Mrs. R. Wheeler who adequately explained the motives and organization of such a club.

Financial assistance was

approved to cheer on the "Green Thumb" ladies in their worthwhile efforts to beautify the grounds of the Recreation Centre and also toward paying the expenses of Nicole Cyr who was chosen to represent Legal High School at a Musical Seminar in Trois Riviere, Quebec.

To spur on interest in the preparations for the coming "Fete au Village", Mrs. A. Ouellet presented the ladies with a book on float-making suggestions. She also disclosed that Mr. Roland Demers has offered to transport the boxes of used-clothing to the Marian Centre.

A report was given by Mrs. Barry on the funeral at Jarvie of a well known and beloved member of the CWL in the St. Paul Diocese, Mrs. Mary Martin. Mrs. Hunting and Mrs. Barry had attended to pay their last respects on behalf of the Legal Council.

A decorated archway at the entrance, a wishing well in the middle of the floor and candlelit tables were the setting for the entrance of senior students and their escorts for the grand march. The music was provided by the Satellites.

Some 70 enjoyed a candlelit midnight supper. The M.C. for the evening was Miss Helen Hogue. Toast to the pre-graduates was proposed by school principal, Mr. Marcel Schayes. Donald Weiss, president of the Student Union replied.

Papa Asher had just bundled himself up neatly in bed on a bitter January night when Mama spoke up from the other bed. "Papa, you must close it the window. It's frizzin' outside".

bodice of satin and re-em-
brodered Alenon lace, jew-
elled with seed pearls lily
point sleeves, and a bouffant
skirt of three tiers of lace.
Sheer organza roses decora-
ted with seed pearls held her
bouffant veil in place. Her
bouquet was yellow roses and

tical dresses of pale yellow
with white chiffon overlay and

turquoise jacket dress with
matching hat and shoes, white
gloves and white roses en
corsage. The groom's mother
wore a three piece pink arnel
suit, her accessories were
a pink and white straw hat,
white shoes and gloves and a

is sponsoring the musical comedy, "Where's Charlie". The production will take place at Thibault School in Morinville, at 8:30 p.m. Sunday, June 4th.

Nearly everyone knows the world-famous farce, Charlie's Aunt. Millions have been moved to tears of laughter by that familiar story which takes place at Oxford University in 1892. Two young students, violently in love, invite two ladies to their rooms for luncheon. In order to make sure that the girls will attend, the young gentlemen arrange for Charlie's wealthy aunt from Brazil to meet the girls at lunch. The aunt cannot make it and it falls to one of the undergraduates to impersonate her.

In 1948, George Abbot and Frank Loesser adapted this family favorite to musical comedy, calling it "Where's Charlie?" The story is roughly the same: the setting is Oxford England. Charlie Wykeham impersonates his maiden aunt

from Brazil so than an intimate party for two couples might have a chaperone. hilarity and broad burlesque are introduced when this "aunt" is madly pursued and courted by an Oxford lawyer, who believes her to be a lady of means. When Charley finally can discard his disguise he successfully concludes his campaign for Amy Spettique. The musical provides an evening of fun suitable for family fare. Audiences invariably leave the theatre happy in the thought that they are alive.

Some of the memorable songs from the musical are "Once in Love with Amy" in which Charlie enlists the aid of the audience to join in on the chorus. "My Darling My Darling" led the hit parade for several weeks and is the lead song in the play. And the clever marching tune "The New Ashmolean Marching Society and Students' Conservatory Band" has been a popular favorite since the time the musical was written. Where's Charlie? is produced by the semi-professional company of the Torch Theatre, University of Alberta

Mystery surrounds Frontier Jane act

Morinville isn't going to take a back-seat to any centre even Edmonton, when it celebrates Frontier Daze on June 24th weekend. The Centennial Frontier Daze Committee advises us that it was able to obtain the services of Frontier Jane, a possible rival of Klondike Kate's, to highlight the weekend of entertainment.

Frontier Jane and her chorus of "Les Girls" will perform at several functions, including the dance and bandshell. The identities of the performers in the Frontier Jane act remain a mystery; however, rumors in Morinville indicate that the group will be well appreciated when it performs.

Last Sunday, three new babies of the St. John Baptist parish were baptized by Rev. Father Armand Beaupre. Peter Scott, son of Mr. and Mrs. Don Found, godparents are uncle and aunt, Mr. Robert Found and Miss Yvonne Patry. Marie Jacqueline Annette Dostie, daughter of Mr. and Mrs. Bertrand Dostie, Mr. and Mrs. Roland Gaboury of Grimshaw are the godparents. Marie Corienne Renee, daughter of Mr. and Mrs. O'Neil Chevalier, doing the honours were Mr. and Mrs. Ubald Chevalier, grandparents.

We wish to correct an omission made last week, in regards to the 4-H awards won by Miss Janice Pelletier: The Grand Efficiency Award was donated by the Royal Bank in Morinville and presented by Mr. Harry White, manager. The Barnett Award was also won by Miss Pelletier for the best Project Book of the year.

Mrs. Dorothy Daigneault, school librarian recently attended a two day Librarian Conference in Edmonton.

Mrs. Juliette Bokenfohr, is a familiar figure at the St. Albert Swimming Pool, as she shares the responsibilities of being cashier with her daughter Mrs. Rita Bourgeois.

Mrs. Odelle Chevalier, general convener of the Morinville Catering Committee accompanied by Mrs. Ann Maslyk, Mrs. Della Logan and Mrs. Rose Martel attended the Community Food Catering Workshop in Onoway on May 24. Miss Marilyn Oak Home Economist was the convener.

Mr. and Mrs. Gerard Pelletier and family travelled to Lac La Biche where they visited Mrs. Pelletier's folks.

Last weekend Mr. and Mrs. Frank Heit and sons travelled to Macklin, Sask., to visit Mrs. Heit's mother who was critically ill. They also visited other members of the family in the area.

Congratulations to Mr. and Mrs. Peter Barilla on the arrival of their first grandson, Shawn Daniel Peter, he is the son of Mr. and Mrs. Peter Barilla of Edmonton.

Congratulations to Mrs. Evelyn Majeau of Riviere Qui Barre who won a G.E. home appliance as winner of a C.F. R.N. radio contest.

2. Give your children the exact amount of cash so there is no unnecessary delay in change (which they will lose most likely anyway later on).

3. If your children really have to come on their bikes because of distance provide their bikes with locks (and urge your youngsters to use these). Most bikes are spread out over the lawn and tempt some unruly bored boys to go joy riding with the result that some of these bikes can be found abandoned somewhere on the surrounding streets (who lost a boy's bike about a week ago? I took it in at long last at 10:30 p.m. and notified the R.C.M.P. I still have it!)

Although this pool was built by the whole town, it proves to be an almost strictly Grandin Park area pool. This is most regrettable but I cannot think of any practical system which could overcome this problem. I am sure though that the Parks and Recreation Department will welcome any sound suggestions that will solve this situation.

May I make one observation on the election now that the smoke has cleared away? According to the Edmonton Journal reports the popular votes and seats allotted were as follows:

in 6 voted N.D.P. this time around - hardly a vote of non-confidence!

No - I am sorry - the table is tilted: the dice are loaded - the coin has two heads on it! So much for democracy in this province.

However, WE WILL RETURN.

SWIMMING POOL:
The Town Engineer reported on the costs of dust proof-

ing the pool parking lot. An investigation has proven, however, that it is not the parking lot as much as the lane which is causing a dust problem at the pool. Oil cannot be used on the area, because of the problem of it being tracked all through the building. Councillor Donais' motion that a certain chemical which is to be mixed with water, be tried out on the area, was carried. Mr. Andre Gate reported to Council that the pool is being taxed to capacity and children are continually lined up, waiting to get in. Town Hall, some Councillor's and the Mayor's homes are being flooded with complaints. Mr. Gate said there is a shortage of lockers at the pool and he is presently considering the possibility of limiting swimming time, in order to give more people a chance to use the facility.

PRIVY TO GO?
Remember the Privy in Mission Park which was the cause of several complaints in the Court of Revision? Staff was asked to obtain a cost

estimate for putting plumbing into the house. Two bids were received, one at \$460 the other at \$800. Staff will enter into an agreement with the owner of the residence with regard to financing the plumbing installation.
CONCESSIONS:
A letter was received from Mr. R. Vandenberg enquiring into the possibility of, and applying for permission to set up concessions at the Pool, Arena and Out-Door Rinks. The Parks Superintendent recommends that no concessions be allowed at the pool, as there is not sufficient room for such a venture. The arena concession request was deferred and Mr. Vandenberg's application will be given first consideration upon completion of the arena. Mr. Vandenberg was given permission to operate concessions in the outdoor rinks, starting this winter.
The meeting, which adjourned at 11:40 p.m. was attended by all Councillors except Councillor J.J. Bakker, who is in Montreal on Business.

The annual Inspection and Review of 533 Squadron of the Royal Canadian Air Cadets took place at 200 hours or 8:00 p.m. at the Sir George Simpson School on May 25th. Squadron Leader Titus, CD, of the regular Royal Canadian Air Force gave the opening address, and stressed the vital role played by the cadets in the education of young Canadians.

An exciting feature of the program was the presentation of awards, donated by various merchants in Sturgeon County. The outstanding NCO award was presented to W/O 2 W. Hart, it was donated by Morinville Hardware. The St. Albert Lions trophy for the outstanding cadet of the year was presented to Cpl. R. Maine. The award for best bandman was given to Sgt. R. Adam and was donated by the Morinville Lions Club. The Sabina Agency trophy was presented

to L.A.C. L. Scott for the best all round cadet. The Alberta Trading trophy was awarded to L.A.C. A Udsen for the best Jr. bandsman.

The Provincial Committee Glider Scholarship was presented to Cpl. M. Greene. Parents of the young men were present for this evening, a highlight of the year for the local squadron, under commanding officer Fl. Lt. Hart.

A little boy stopped in front of an abstract painting in an exhibition of local talent. "What's that?" he asked his mother.

"It's supposed to be a cow-hand and his horse," she explained. "Well," asked the boy, "why ain't it?"

St. Albert's new swimming pool is a mighty popular place with the younger crowd especially and they line up well ahead of opening times. Chatting with Anders Udsen at the time this picture was taken on Saturday at 12:30 we learned that he had been arriving at the pool at 10:30 in order to be sure of getting in right on time when it opened at 1:30. Around Town

Joining the 25-mile walk for Oxfam, in aid of the hungry, is Gazette reporter Hennie Stibbe with no less illustrious sponsors than St. Albert's Mayor and Councillors. In considering the proposal Councillor de Bruijn commented "We have all enjoyed the view of Mrs. Stibbe's legs we should back her on this. Mayor Fowler said "I'll back her, on the condition the legs don't get damaged." Councillor Wheatley: "I don't expect to lose more than a dollar on this." The walk is 25 miles and the seven sponsors have agreed to pay Mrs. Stibbe one dollar per mile walked. The Gazette has agreed to picture coverage and transportation for Mrs. Stibbe from wherever along the route she requires it.

Mr. and Mrs. Roland Bonnevillie of Northgate most generously provided 4 units at no charge for the Mackenzie voyageurs and their wives in real Centennial spirit when the canoeists were here last week. They spent two nights at the motel and were provided with washing and cooking facilities and entertained by the Bonnevilles in their private quarters during their stay.

Friends gathered in a surprise visit at the home of the Robert McGuire's last Friday evening to say good-bye to a going away party. Arriving with food and goodies they really surprised Creta who was busy ironing. She was presented with a gift of imported pewter wine goblets and the good wishes of Centennial co-workers on her move to Calgary.

It was moved that the invoice for work performed by Otto Roofing Limited in the amount of \$111.35 be approved for payment.

TRUSTEE ITEMS:

Mr. Russell inquired if the Administration had any problem with the Sir George Simpson Junior High School Addition. The Superintendent replied that the ordinary procedures of applying for local approval and no difficulties were being encountered.

Mr. Schroder asked for a report by the Administration on the problem he had raised earlier of children crossing muddy public grounds near the Simpson Schools.

The Administration presented revised estimates of Revenue and Trustees then considered the Revenue and Expenditure Items on the proposed Budget item by item. After considerable discussion the Administration was directed to further reduce their estimates of expenditure which the Board will then discuss at its next Regular Meeting.

The Meeting adjourned at 10:10 p.m.

tion was given in regard to the proposed developments. EPKA & OSTER:

Non formal application was received with a request for a recommended approval in principle by Council for a 12 acre parcel, said parcel to contain all the farm buildings on the above described land. They wish to rent the said proposed parcel for agricultural purposes.

Moved that the Council do not encourage the developers to proceed with a formal application to the Commission with the above described proposal as submitted in a personal letter dated April 20/67.

Moved that the meeting adjourn for lunch at 11:45 a.m. and to reconvene at 1:00p.m.

St. Albert 100 Years Ago

A Centennial project by Jim Drysdale.

In this space each week an attempt has been made to show as comprehensive a picture as possible of conditions in St. Albert 100 years ago. Over the next few weeks we will follow Father Lacombe through the year 1867. Katherine Hughes, in her book "The Black Robe Voyageur", gives in vivid detail the conditions experienced by the journeying Father as he coursed the prairies in 1867. First printing of this book was accomplished in 1911 - five years after the death of Father Lacombe. To introduce the series the Preface to the book by Lord Strathcona and Miss, Hughes' Foreword appear below.

FOREWORD
by AUTHOR, KATHERINE HUGHES.

Father Lacombe's peculiarly vivid intellect—which even yet seizes upon the detail in events and people that touch on his life—holds the Past as in the present. To avail myself of this knowledge in securing quite accurate pictures of the Western periods and incidents I have for some years submitted this table man month after month to what he laughingly termed "inquisitions," and the others of the few real Old-Timers remaining have likewise submitted to "inquisitions," and generously contributed to my knowledge of details. Names occur in the narrative; I desire to thank them for their valuable assistance.

I should also acknowledge my indebtedness to my friends—Bishop Legal, who gave me the Archives of St. Albert and his letters from Father Lacombe, Hon. Alexander Rutherford, who gave me access to his library of rare books, and others.

PREFACE
by W. C. VAN HORNE.

On the Lake of the Woods, at sunrise one morning in 1882 I saw a priest standing on a flat rock, his crucifix in his right hand and his broad hat in his left, silhouetted against the rising sun, which made a golden halo about him, and to a group of Indians—men, women and papooses—who were listening with reverent attention. It was a scene never to be forgotten, and the noble faintly countenance of the priest brought it to me that this must Father Lacombe of whom I had heard so much; and it was.

My acquaintance with him, begun that morning, has been full of charm to me, and my only regret is that in these later years the pleasure of meeting him has been at lengthening intervals. His life, devoted and self-sacrificing, has been like a full moonlight—commonplace to some, but to others full of quiet splendour, mystery and of much more for which there are no words, and who know him love him because of his goodness and we feel that he is a man but we may not say he is great because of this or of that. His life has been lived from the world in far-away Indian encampments and it is there we must turn for accounts of his good works and great deeds.

A noble and elevating example of devotion and self sacrifice that has been followed by Father Lacombe in his more than sixty years of work among the Indians of Western Canada should not be lost, for he would be stony-hearted if he would not be softened and humanized by such an example, which brings even to the irreligious a feeling of profound respect for the faith inspired and sustained this good man.

It is fortunate, therefore, that Miss Hughes who is so well fitted in every way especially by her intimate knowledge of the country in which Father Lacombe laboured so long and with the conditions surrounding him, should have taken a record of his life, with a reverent love of her subject to guide her; and I regard it as a very great honour that she has asked me to write the preface for her book.

Montreal, 21st April, 1910.
